

Calling All Gardeners & Galilee Center Supporters!

Join us at our *Spring Planting Festival* where we celebrate the beauty of nature and community spirit! After months of hard work cleaning and enhancing our grounds, we're excited to showcase the vibrant colors and fragrant blooms of our gardens.

Date: Saturday, May 18th

Time: 9:00 AM to 1:00 PM

What We are Doing: At our festival, each group or individual is invited to sign up to donate towards plantings chosen for our gardens. What makes this event special is that participants will have the opportunity to personally plant flora, symbolizing their commitment to nurturing and caring for it until it flourishes on its own. There will be an opportunity for individuals, families and groups to sign up to “adopt” an area of the garden for the summer. Responsibilities will include hand weeding, deadheading and occasional watering.
